SCHOLARSHIPS! Here is the link to local scholarships. It is updated regularly so check back weekly as due dates are looming on some PHS Scholarships!

NCMC Scholarship for Juniors and Seniors

The Tip of the Mitt Scholarship is a scholarship designed for first generation college students with at least a 2.5 GPA. Students that are selected for the scholarship will receive full tuition to NCMC along with fees and textbooks paid for 4 consecutive semesters or upon completion of an Associate's degree or Certificate/Certificate of Development (whichever comes first). This year we will be looking for both Seniors AND Juniors to apply, as we want to get the first cohort up and running in classes for the Fall 2022 semester. See the flyer for more information.

Dual Enrollment and Parent Meeting Notification

Effective April 1, 1996, Public Act 160 and Public Act 258 of 2000, created the Postsecondary Enrollment Options Act, commonly referred to as dual enrollment. This law directs school districts to assist students in paying tuition and fees for courses at Michigan public or private colleges or universities. The following are some of the eligibility guidelines/standards:

1. Students in grades 9 through 12 may take up to ten postsecondary courses.
2. Students can qualify for dual enrollment by taking one of the following assessments: PSAT, ACT ASPIRE, ACT, SAT, MME or the college Accuplacer test.
3. 388.155 Rule 5 (2) The acts do not prohibit a district from supporting any pupil regardless of eligibility under these acts. A district may elect to support college level courses or career preparation courses for any pupil if it is in the best interest of the pupil.
4. Students must be enrolled in both the eligible school (public or private) and eligible postsecondary institution during the local school's regular academic year and must be enrolled in at least one high school class.
5. The college courses cannot be a hobby, craft, or recreation course, or in the subject areas of physical education, theology, divinity, or religious education.
6. School districts are required to pay an amount equal to the prorated percentage of the statewide pupil-weighted average foundation allowance, based on the proportion of the school year that the eligible student attends the eligible postsecondary institution. Eligible charges include tuition and mandatory course fees, material fees, and registration fees required by an eligible institution for enrollment in the course. *Eligible charges do not include transportation or parking costs or activity fees.*

A Dual Enrollment informational meeting will take place on **April 7, 2022** in the high school auditorium at 6:00 PM. This meeting will also be available via Zoom.
