As a team, we also do a lot of outreach in the community and travel to worldwide competitions. **We strongly encourage you to attend our informational meeting Wednesday, October 6th after school until around 4:30.** No prior experience is required! **Can't make the informational meeting, or have a question? Homecoming

October 2 is scheduled for the 2021 Homecoming football game. During the week at school, there will be activities to celebrate this event, however, there will not be a homecoming dance. The county is currently at a high transmission level, so based on our District Preparedness Plan we can not bring a large group of students together.
