Petoskey Public Schools Food Service

Just a reminder for families that meals are still free until the last day of school and we will continue with Friday meal pick-up until June 4th. Details for the summer feeding program will be released at a later date.

Check their website for up-to-date information:

Northmen Den

The Northmen Den provides free food, school supplies and toiletries for in-person or online students who want to help their families, their siblings and themselves with additional food on weekends. The Northmen Den is open this school year but is working a bit differently for the safety of our students and volunteers. Please see link to get more information if you feel your family would benefit:Northmen Den Information

Blood Drive

The PHS NHS is hosting back to back blood drives in January to help fill the need for blood donations. Our blood drives have gotten more challenging this year due to Covid, but the need is still great. The blood drive will be in the "blood bus" that will be parked downtown next to the Chamber of Commerce.

There will be a blood drive on Wednesday, January 13 from 10:30 am - 5:50 pm (appointments every 10 minutes). If you are willing/able to donate blood, please email to:

petoskeynhs1@gmail.com
