CAFETERIA NEWS

Starting today, students will be allowed to change seats in the cafeteria and lunch area. The tent has been put back up, and students will also be allowed to eat in the tent. Students will need to have their new seats finalized by Friday and remain in the spots until the end of the marking period. Masks rules will apply in the tent in the same manner as the cafeteria.

6TH GRADE TRACK

Practice will begin today after school. We will meet outside the library. Please make sure you join the google class and order your uniform. See the link below for all information.

6th grade Track Information

Please email Mrs. Dionne with any questions at dionne.am.t@northmen.org . You must have a current MHSAA Sports Physical or last year's MHSAA Sports Physical and the MHSAA Sports Health Questionnaire on file in the office to participate.

STRENGTH AND CONDITIONING CLUB: 6TH – 8TH GRADE

This after school club will give you an opportunity to safely condition and strengthen your body using the equipment in the weight room. This club is for students at any fitness level to improve their core strength by working hard and practicing proper procedures. We will meet 2-3 days a week during April and May after school until 4:15. If this sounds like something you would be interested in, stop in the shop to see Mr. Brey or send an email to sign up. There will be a required organizational meeting on Thursday, April 8 after school. A physical must be on file in the office. If you have any questions, Email for more information to brey.jw.t@northmen.org.

CTAC YOUTH ART SHOW – OVER 100 SUBMISSIONS REPRESENTING PMS

Crooked Tree Arts Center's Youth Art Show will be going virtual once again this year! Because of this, Petoskey Middle School was able to place over 100 submissions of student artwork from throughout the year for this event! The Virtual Exhibit will be displayed on CTAC's website from April 12th - June 11th! We have many students who are representing us in a variety of different ways! Students have shown perseverance, confidence, growth, and determination in their artwork, and we are very proud of each and every one of them! Please plan to visit the website to celebrate our students' achievements in this unique format!

ARE YOU CRAVING FOR SOME POSITIVE DRAMA??

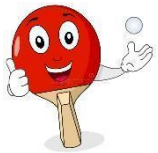
Mrs. Mazzoline needs students to help create and/or perform in a video that will be shown at the end of the school year! She needs any students who would like to help write, choreograph, act, sing, and dance in a positive message to end the year! If you are interested, please email her for more information! (mazzoline.kl.t@northmen.org)

PHOTO CLUB

In April, Photo Club will meet on Wednesday the 14th, 21st and 28th.

6TH GRADE BOOK CLUB

6th Book Club is closed to new membership for this session. We will welcome new members prior to the choosing of our next book. Members will continue to meet each Wednesday in Mrs. Yurek's room from 3:20 – 4:20.



PING PONG

We will not be meeting on Thursdays anymore as Ping Pong club has ended for this school year. Thank you for participating!

DRESS CODE

We are now approaching warmer weather. Because of this, it is an appropriate time for a reminder to dress appropriately for school. Please refer to the student handbook for what is acceptable and what is not. Your primary job here is to learn, so please dress to learn! Thank you for your cooperation.

SPARTAN WRITING CAMP

Spartan Writing Camp is back for a Harry Potter writing experience! It is a summer writing week filled with great activities centered around Harry Potter themes. It is in person and open to students in 5,6,7 and 8th grade. July 12-16 from 9:00-3:00. The fee is $165 for the whole week-long experience! Please pick up a flyer from Mrs. Deering in the 7th-grade hall or from your ELA teacher! Space is limited so sign up soon!

PASSING TIMES

Students, remember that passing time is to be used for going from one class to the next. If you need to use the restroom or go to your locker, go to your classroom first and get permission.

AFTER SCHOOL BUILDING HOURS

Students are to be out of the school building by 3:20. Any student still in the building beyond this time must be either working with a teacher or coach. Please be sure to make the necessary arrangements for pick-up if not riding the bus.

WATER BOTTLES

Students please remember to bring your water bottles to school and refill them at the bottle filling station since the drinking fountains are still closed.

STUDENT DROP OFF AND PICK UP

Please remind your parents to use the right hand lane in the loop to drop off and pick up students before and after school. For safety reasons, we are asking parents to not use the parking lot to drop off or pick up students. Thank you for your cooperation in this matter.

MORNING ARRIVAL

Just a reminder that upon entering the building at 7:55, you must go directly to your homeroom class.

YEARBOOK

Purchase your special edition 2020-2021 yearbook for $30. You can order online at jostens.com or bring $30 cash or check to Mrs. Werden to order your copy today! Books will be in at the end of May and are hardcover and in full color. Yearbooks are forever and will allow you to remember this unique year!

CHROMEBOOKS

Students, please remember that one of your responsibilities is to bring your Chromebook to school with the battery fully charged. A minimal charge of 90% is expected at the beginning of each school day.

QUARANTINE

Just a reminder that if you are quarantined, you must log into zoom. Help During Quarantine – Zoom information can be found by going to the middle school webpage at petoskeyschools.org/schools/middle-school and clicking the Quarantine / Closure Help link listed under Middle School News.

AFTER SCHOOL STUDY LAB

After-school study lab provides students a time and place to work on assignments. An academic aid is available to help students when needed. It is held in the library Mondays - Thursdays until 4:15. Students don't need to sign up ahead of time. Just sign in and use the time to stay on top of your academics!
