Meeting ID: 854 2370 3250

Under EO 2020-154, a school board may hold a meeting electronically using telephonic conferencing or video conferencing in a manner that permits both the general public and school board members to participate by electronic means. School board members participating electronically in a meeting will be considered present and may participate in the meeting as if they were physically present at the meeting, which means a quorum can be established using remote meeting technology and all board members participating remotely may vote on motions. EO 2020-154 remains in effect until Aug. 11, and for 28 days thereafter to the extent necessary to permit reliable scheduling of school board meetings.
