PSAT Testing for 10th and 11th Grade-October 29
On Thursday, October 29, 10th and 11th grade students will attend to take the PSAT. 9th and 12th grade students will have a virtual day.

All students, both online and in-person will meet with their 3Blue class only as teachers will be proctoring testing until then. So, 10th and 11th grade students will attend these courses in-person following testing and 9th grade, 12th grade, and online students will meet with their class via zoom/google meet. 3Blue teachers will communicate more details on how and when you will be meeting for this course.

9th and 12th grade will have remote learning to complete for 1Blue and 2Blue this day. There will be no live virtual meeting with the teachers.
