Jessica Shaw-Nolff
Treasurer

If you see one of these Board of Education members, thank them for all they do for Petoskey kids! Being a trustee requires many hours of work and is a volunteer position in our school district.

Principal's Message:

It was a great week at Lincoln. Our students spent time over the past week learning about the extraordinary life of Dr. Martin Luther King and his impact on American society. We will recognize his birthday on Monday with classroom educational opportunities.

Although the weather has been cold, our students have been having a blast sledding on Mount Lincoln. Mr. Loper carved out a few fun sled runs, and we had new sleds donated by Lincoln alumni Zach Brown. Our students have done a great job following the Full Value Agreement by following safe sledding rules and sharing sleds.

January and February can be slow months during the school year. We will continue to find ways to implement fun activities for students to help keep them excited about going to school. Please take note of the upcoming spirit days and plan for something fun. Twin day is Thursday January 20th.

We have reached the halfway point in our school year. Thank you for sharing your children with us and have a wonderful weekend!
