## Principal's Message:

It has been an outstanding week at Lincoln. On Monday we recognized the life of Dr. Martin Luther King Jr., and our students created some great projects. Throughout the week classes have been taking their mid-year NWEA tests in reading and math. Early indications are showing some great growth across our student body. I am proud of both the students and staff who have been working well as a team this semester. Please expect to receive report cards in Thursday folders on January 27th.

Combining the month of January with testing can be tough on morale. Therefore, we also had some fun this week. Today we had twin day. Kids had a great time dressing like friends and staff members. Tomorrow we have a half day, and in the morning we will have another episode of classroom feud. It should be fun.

Have a great weekend.

## Tips & Tricks

- \* What time should my child go to bed?

**7:30 p.m. to 8 p.m.**

*Most elementary school-aged children need to be in bed by*

*7:30 p.m. to 8:00 p.m. To get the sleep they need each night.*

- \* Please leave toys, trading cards and fidgets at home. These items are not allowed in classrooms and can have a negative effect when children are asked to put them away.
- \* Please do not send pop, gatorade or juice in place of water. Sports drinks or juice are acceptable at lunch time, but not throughout the day. We encourage all students to drink water throughout the day but sugary drinks are not acceptable.

If you can't fly, then run.

If you can't run, then walk.

If you can't walk, then crawl, but by all means, keep moving.
