January is School Board appreciation month

Mary Ling
President

Mark Ashley
1st Vice President

Kathleen Reed
2nd Vice President

Denise Petoskey
Secretary

Jessica Shaw-Nolff
Treasurer

If you see one of these Board of Education members, thank them for all they do for Petoskey kids! Being a trustee requires many hours of work and is a volunteer position in our school district.

Principal's Message

Happy New Year! It's exciting to have students back at Lincoln after a relaxing break. I sincerely hope all of our Lincoln families had quality time together to recharge and rest.

Although our weather has been mild for January, On most days we will be outside for recess as fresh air and exercise are an important part of learning. Please remember to send students with proper winter clothing to play outside and stay safe, dry and warm.

January is school board appreciation month. Our board members are elected officials who work hard and receive no pay for their service. If you see any of our school board trustees, please take time to thank them for their service to our kids and community.

This month we will be starting NWEA testing in both Math and Reading. Fifth grade students will also take Science. These tests are taken on the computer and last about an hour. The tests allow teachers to monitor student progress and target specific areas for instruction.

I hope you can make time to get outside with your kids over the next few winter months. Have a great

Absent extreme weather conditions, Lincoln kids play outside every day throughout the winter. Please make sure your child comes to school prepared for Northern Michigan's changing weather conditions. (The school does not have clothing to loan to students.)

Please send your child to school with a clean water bottle every day. Our students do not have access to water fountains this year and hydration is so important for them.

1/20 -Twin Day
