NO SCHOOL TOMORROW FRIDAY, OCTOBER 22, 2021

Principal's Message:

It has been another great week at Lincoln. Last Friday we had a great time celebrating our Fitness 4 Funds fundraiser. Students enjoyed eating ice cream provided by our Petoskey Kilwin's store while they each dropped water balloons on my head. I want to thank our PTO for organizing this event, and for everything they do to help our school.

This week we have been having parent teacher conferences. I appreciate parents taking the time to meet with teachers, and I thank the teachers for all their hard work on these long days. There is no school for students on Friday October 22nd and Monday November 1st. On these days our teachers will be receiving training on the new Language Arts curriculum, and our Eureka Math curriculum. It is a major goal for our school and district to improve math and reading this year.

Next Friday, October 29th, we will celebrate Halloween. Given the current Covid status, we need to be cautious about how we have these fun events, but at the same time, our kids need to have some fun at school. Therefore, if weather permits, we will have a two lap parade around the school at 2:00, followed by classroom parties. Volunteers will not be allowed in the building, but parents may watch the parade outside the building.

I will be out of the building on Monday and Tuesday next week. Mrs. Mellema will be handling the Principal's responsibilities. I appreciate working with a staff that works so well as a team.

Have a great weekend!

Please send your child to school with a clean water bottle every day. Our students have access to filtered fill stations but do not have access to water fountains this year and hydration is so important for them.

Thank you

End of day notes: If you need to make a change to your child's after school plan please call the office at 231-348-2120 before 2:30pm. We can not guarantee the delivery of messages after 2:30pm. In addition, it is imperative that your child be picked up on time. Our staff has other obligations that they need to attend to after school. Students that are not picked up will be waiting outside.

-Thank you

Absent extreme weather conditions, Lincoln kids play outside every day. Please make sure your child comes to school prepared for Northern Michigan's changing weather conditions. (The school does not have clothing to loan to students.)

10/22 -No School-Professional Development Day

10/29 - Pumpkin Contest - No pumpkins will be accepted after 8:10am

10/29 - Halloween Parade outside -weather permitting

11/1 - No School-Professional Development Day

11/22 - Picture Re-take Day

11/24-11/26 - Thanksgiving Break

11/29 - Return to School

Michigan vs. Michigan State friendly competition in PE next week!

Students will choose their team and compete in different competitions throughout the week in PE. Each competition won is a point for their team. Who will win?
