

The Linc;

December 16, 2021

Principal's Message

We have had a nice week at Lincoln. On Monday we had “crazy mask Monday” and we had a lockdown drill, on Tuesday several classes were able to Zoom with live authors and they were provided with free books from the Harbor Springs festival of the book. We will continue having some fun next week when we have our first “Classroom Feud” competitions, and reindeer games during gym. Students are encouraged to dress in festive holiday clothing on Wednesday the 22nd for our last spirit day of 2021.

In the spirit of the holidays, I want to thank all of you who contributed to our charitable causes. Our fourth grade classes have raised money to buy toys for “Toys for Tots”, and our student council has sponsored a giving tree for the Humane Society.

After break, school will resume on January 3rd. This is the last Linc. before the new year and I would like to take this opportunity to sincerely wish all of our Lincoln families a very joyous Holiday season. I hope you are able to spend some quality time with loved ones, rest and have fun! I feel blessed to be part of such an amazing school. See you all in 2022!

Hello!

My name is Aimee O'Neil and I am the new Behavioral Health Therapist at Lincoln! I am a Social Worker with the Alcona Health Center Program, and after staying at home with my 3 children while they were young, I

am happy to be back to work in the schools. I moved from the Ann Arbor area in 2019 and adore living in northern Michigan! I am looking forward to getting to know the Lincoln community and offer mental health support to our students. Please reach out if you would like to explore how your child might benefit from support at school.

Toys, electronic games, trading cards, etc. have no place in school. There is always a chance that an item will be broken, come up missing or a student will be unhappy with a trade that was made. Please make sure that students do not come to school with items that could potentially disrupt the education program. Thank you.

12/22 Ugly Sweater/Holiday Wear

12/23—Winter Break begins

1/3—Return to school

1/21—Half day of school. Dismissal at 11:40am
