Principal's Message:

Lincoln families, it has been an awesome week at Lincoln. As a staff we have completed winter NWEA testing, and are currently taking a look at the data. Next Friday our teachers will be meeting in teams to plan future lessons and interventions based upon the results.

Last week I sent out an email letting parents know that we would begin allowing volunteers into our building per staff needs. Please be patient and watch your classroom newsletter as well the Linc for classroom and school-wide volunteer opportunities. I expect that we will have some opportunities available by the end of next week.

Volunteers should not just show up at the building without invitation. Our PTO board recently met, and we will be planning some whole school events to bring our Lincoln family back together. Please stay tuned for further information.

Finally, it is with sadness and excitement that I inform you that I intend to retire as Principal at the end of this school year. The years I have spent as a member of the Lincoln family have been a joyful blessing, but it is time for me to move on to a new chapter in my life. I will work through the rest of the year to help the district find my replacement, and to help him/her understand what Lincoln is all about. Thank you for all your abundant support through all the years. I have been blessed to be part of such a special family.

Have a great weekend!
