

The Linc;

February 3, 2022

Principal's Message:

Its hard to believe its already February. Before we know it spring will be here! We had a taste of spring on Monday, but the warm weather was followed by cold weather and has made our playground very icy. Thus, we had to close Mount Lincoln for the rest of the week.

Last Friday we had to close Lincoln unexpectedly due to a plumbing issue. Please understand that we realize closing school can be very difficult for some families, and we tried our best to get it fixed ASAP. I sincerely want to thank all the workers, including our own Mr. Ron, for getting everthing all set for Monday.

This Wednesday (2/9) is count day. It is important that students are in school every day, but even more important on count day because attendance on count day helps us determine funding for our district. Please work as a team and do your best to get students to school as long as they are not ill.

I hope you all enjoy a wonderful weekend.

Kindergarten registration for the 2022/2023 school year opened on February 1, 2022.

If you or someone you know has a kindergarten-age student, registration forms are available on our website.

Hello! My name is Kristin Monan and I am the new Student Support Specialist. I will be working with students individually, in small groups, and teaching classroom lessons. Topics will include friendship, social skills, problem solving, and other areas related to social/ emotional learning.

My family and I recently moved to Northern Michigan and we are loving it! I have counseled elementary and middle school students for seventeen years. Helping children develop social/ coping skills for success in their present situation (school, family, friendships) and for their future (job, relationships) is my passion. Please feel free to reach out to me at monan.kj.t@northmen.org. I'm looking forward to meeting you and your children!

The Public Schools of Petoskey is preparing to welcome the Northmen classes of 2035 and 2036!

Little Northmen Preschool is currently accepting applications for children turning 4 by September 1st. Students will attend Monday - Thursday from 8:30 AM - 3:30 PM. Information about tuition rates and other important information can be found on our [website](#).

[Kindergarten registration](#) is open for the 2022/23 school year to children turning 5 by September 1st.
