

The Linc;

March 10, 2022

Principal's Message:

Lincoln families, it has been a great week at Lincoln. On Monday our students returned to the cafeteria for lunch. They did a great job following the full value agreement by working as a team with our lunch monitors, Mr. Ron and our new cook Mrs. Holly Willcome. It was such a joy to see the students back in the cafeteria having fun and socializing. Today we dressed like book characters to celebrate reading month, and classes displayed posters representing books that they have read.

I would like to thank everyone who has been volunteering in our building. It has been great to see parents coming in to be mystery readers for classrooms. If you are a parent who wishes to get involved, please consider coming to our PTO meeting on March 21st at 3:15 in our Lincoln library. Our PTO does a great job supporting our staff and students by providing buses for field trips, and hosting fun family events.

Finally, please be sure to return any "Leave a Legacy" forms and money by March 21st to insure that books will arrive prior to the end of the school year.

Have a great weekend.

Absent extreme weather conditions, Lincoln kids go outside to play every school day. Please make sure they come to school dressed for the conditions. Children well enough to be in school are considered well enough to join their peers on the playground.

Please...no toys or electronic devices should come to school with students. They could be lost, broken or be a distraction to learning. Cell phones are allowable, but may not be used during the school day absent an emergency. Thank you.

PE Class, students are scheduled to have two 30 minute gym classes each week. Students are expected to come prepared with gym appropriate shoes, Lincoln school does not have shoes to loan students. Children that do not have the correct footwear will not get the opportunity to participate.

Leave a Legacy forms and money are due on March 21st, this ensures that books will arrive before the of the school year.

Our current Leave a Legacy count is: **13**

Important Dates

3/15-Parent Teacher Conference via zoom
3/17-Parent Teacher Conference via zoom
3/18-No School
3/24-Sports Day
3/25-Spring Break
4/5-return to School

Kindergarten Registration for the 2022/2023 school year opened on February 1, 2022. If you or someone you know has an appropriately aged student, registration forms can be obtained from our elementary website.

School field trips

Lincoln school will attempt to try and fit in a couple of field trips. Please be patient and understanding with your child's teacher. This is a big undertaking and it will look differently for each grade. When you see a permission slip come home with your child please sign and return it as soon as possible as we would hate to have your child miss out on a fun activity because they do not have written permission from a parent. Weekly newsletters from your child's teacher will notify you of upcoming field trips dates.

It is also important to remind your child that field trips are a privilege and best behavior is expected. If your student cannot display appropriate behavior at school then they will not be invited to attend these off campus special events.
