

The Linc;

March 4, 2022

Principal's Message:

Lincoln families, I can't express how much joy I felt yesterday at parent recess. It was so wonderful to see our Lincoln family back together again, and watching parents play with their kids. I want to thank the PTO for providing treats and volunteering their time to help out. I also want to thank Mr. Ron for providing firewood and hay bales, and Mr. Loper and our 5th grade students for getting everything set up. Finally, thank you to everyone who attended. It was a great example of teamwork.

If you have not signed up for your parent-teacher conference, please do so asap. The conferences will be held via zoom for convenience. Please call the school if you are having difficulty with this format.

Have a great weekend!

School field trips

Lincoln school will attempt to try and fit in a couple of field trips. Please be patient and understanding with your child's teacher. This is a big undertaking and it will look differently for each grade. When you see a permission slip come home with your child please sign and return it as soon as possible as we would hate to have your child miss out on a fun activity because they do not have written permission from a parent. Weekly newsletters from your child's teacher will notify you of upcoming field trips dates.

It is also important to remind your child that field trips are a privilege and best behavior is expected. If your student cannot display appropriate behavior at school then they will not be invited to attend these off campus special events.
