April 7, 2022

Principal's Message:

Welcome back! Whether you spent spring break in beautiful Northern Michigan or traveled elsewhere, I hope you were able to enjoy some quality time with your family and some relaxation. We are trying to get back into the school routine here at Lincoln. A short four day week seems to help students adjust to the change.

During the next 2 months, we will be taking the state M-Step tests in 3rd through 5th grades, and NWEA for all grades. Please encourage your child to do his or her best, but is not something he/she should be stressed about.

I would also like to mention the daily Lincoln drop off and pick up. As part of the Full Value Agreement we encourage everyone to "be safe" and "work as a team". I am asking those who are backing out of parking spaces to please be extra careful as our small children are not always easily seen. Also, if you are dropping your child off across the street, please have them cross at the crosswalk. Let's all work together to keep our kids safe.

Have a great weekend!

The SAFE in Northern Michigan collaborative provides students and families various resources for encouraging substance use free environments. The TALK SOONER campaign is an annual spring initiative of the SAFE group. In April, parents/caregivers will notice Talk Sooner yard signs around Petoskey's school buildings and in school districts throughout Char-Em ISD. Talk Sooner is a national initiative that encourages parents to have important conversations with their children by providing age-appropriate subject matter for various grade levels. Parents and caregivers can find more information in the attached

postcard and online, at www.talksooner.org. If we can further support you in having these important conversations with your students, please let us know.

Lincoln's 3 R's

1. I will come to school every day, **ready** to learn.
2. I will model **respect** for myself, others and my school.
3. I am **responsible** for my work and my actions.

Please help us reinforce these important principles with Lincoln kids.
