

The Linc;

May 12, 2022

Principal's Message:

It has been another great week at Lincoln. I would like to thank Mrs. Mellema for her excellent leadership while I was out on Monday and Tuesday. I can't express enough how grateful I am for the supportive team at Lincoln.

This week we wrapped up most of our state M-Step testing, and some of our students started taking the NWEA tests. The NWEA tests are computer adaptive and provide teachers with very useful data within 24 hours of taking the test.

I also witnessed a lot of hands-on activities this week. Students were programming robots and we were visited by PHS building trades students who helped our students build bird houses.

The warmer weather has prompted me to remind parents and students of the expected clothing requirements. Please check to see that your children are wearing school appropriate clothing before they leave for school. Let's work as a team to provide a proper educational environment.

It looks like we are in for some great spring weather this weekend. I hope you can get outside and enjoy it!

Have a great weekend.

Important Dates

5/30 No School

6/10 Half day of school with dismissal at 11:40-LAST DAY!!!

Proper Attire

Good hygiene and appropriate dress and grooming are important in creating a positive school environment. Help your child dress appropriately by avoiding:

- * Beachwear, short skirts and shorts, tight clothing without proper coverage, clothing that exposes undergarments, shoulders and/or midsection (longer-length shorts/skirts are acceptable)
- * Outerwear, such as coats and hats, worn as indoor attire
- * Clothing that is tattered or indecent, bears derogatory or disrespectful lettering or symbols or is designed to promote illegal substances or activities
- * Inappropriate footwear – footwear should be age-appropriate, comfortable, safe and suitable for indoor or outdoor play. Flip flops are not safe for outdoor play

Parents may be called to bring in appropriate clothing at the principal's discretion.

A huge thank you to Mr. Giffin, Mr. Liebler and the seniors in the PHS building trades class for coming over to build houses with our 4th graders.
