Principal's Message:

It was another exciting week at Lincoln! Our second and third grade classes took their first field trips since 2019. Second grade went to Sterly Farms, and third grade spent a day at the Raven Hill Discovery Center. Fifth grade took a tour of the middle school.

Our fourth graders held their mini society, an activity where students worked as a team to create products to sell to staff, parents and classmates. Finally, we had a parent recess where we welcomed Mr. Jason Latz who will take over as principal in July. I want to thank Mr. Latz for taking a day off from his current position in Gaylord to be with us. I was impressed by his interactions with all of the Lincoln family. I also want to thank the PTO for hosting the parent recess, and for all the parents who arrived to meet Mr. Latz and have fun with their kids. Once again, although the weather could have been better, I felt very proud to be part of the Lincoln family.

Over the past several weeks, teachers have been working hard to place students in next year's classrooms. Teachers use their professional judgement to create balanced classrooms where students can thrive. Please be respectful of their decisions. Placement for next year will be listed on student report cards that will be sent home on the last day of school.

Over the next two weeks we will have a lot of fun activities for our students. On Tuesday, May 31st we will have our field day, and on June 3rd we will have a staff vs 5th grade volleyball game, combined with a visit from the steel drum band and a top-secret treat.

Enjoy your long Memorial Day weekend. Please take time to recognize those who have sacrificed for our great country.

School Safety

School safety is our top priority. Our nation continues to deal with unspeakable acts of terror toward schools and school-aged children. Please have conversations with your children, reinforcing them to speak up if they see or hear something concerning. Here are some talking points (that can be altered for age-appropriateness) for parents to consider:

- ◆ When you see something, say something. Students can talk to a trusted adult or anonymously report suspicious or concerning behavior to OK2SAY, a statewide reporting program.
- ◆ If you see someone needs a friend, be a friend.
- ◆ If someone needs you to ask for help, ask for help.

We are in this together. We all need to continue to stay vigilant and talk to each other.
