

The Linc;

September 23, 2021

Principal's Message

It is starting to feel like fall in Northern Michigan and we are getting into the daily routine at Lincoln. Safety patrol squads are in place and are doing a great job. Students are using the Full Value Agreement by following hallway and playground rules. Student work is hanging in the hallways, and it looks beautiful.

It has been a fun and educational week at Lincoln. I have been visiting classrooms, and I see teachers utilizing our new "Into reading" curriculum. Last Friday, our students learned about the Constitution in every grade. On Monday, we had our first fire drill of the year. Each year we conduct 5 fire drills, 3 lockdown drills and 2 tornado drills. We do our best to talk to students about the dangers associated with these events without creating unnecessary anxiety.

Monday we will have our first official PTO meeting. Lincoln is very fortunate to have a PTO that works as part of our team to make school successful and fun. We welcome parents, grandparents and caregivers of Lincoln students to attend this meeting. Also, starting next week we will do a variety of exercises for one minute every morning to get us motivated for "Fitness for Funds" on October 6th.

Hopefully, we can all get outside and enjoy the beautiful fall weather.

Have a wonderful week!

10/6 -Student Count Day
-Fitness 4 Funds Day

10/19 -Parent Teacher Conference (more details to come)

10/21 -Parent Teacher Conference (more details to come)
