

# The Linc;

September 30, 2021

## Principal's Message

Lincoln families, it's hard to believe we are already moving into October. It has been a great week at Lincoln as the weather has been cooperative and we were able to be outside. The PTO mums have been delivered, and it has been a record breaking sale. Thank you for your contributions. All of our classes have been working hard on our new English/Language Arts curriculum, and most classes have begun taking the NWEA tests for Math and Reading. These tests will provide data to help teachers individualize instruction and provide talking points for parent teacher conferences.

Part of our Full Value Agreement is about being safe and working as a team. I am asking that we all work as a team during drop off and pick up to keep our students and families safe. Please avoid parking across from the school and sending students directly across the street. We have safety patrols on duty at the corners willing to help. Please send students to the crosswalks before crossing the street. Your cooperation with this is appreciated.

I want to thank everyone who attended our PTO meeting last Monday. We had a nice turnout of people willing to support our school mission. On Wednesday, October 6th, we will have our big "Fitness for Funds day". This is our biggest fundraiser that helps pay for all our fun events and many classroom projects. All students who participate will have an opportunity to drop a small water balloon on my head. It's a fun and healthy event sponsored by our PTO. Please consider contributing.

Have a great weekend!

## Please Register for Parent-Teacher Conferences!

Parent-teacher conferences are on October 19th & 21st. Please register online at [www.ptcfast.com/reg1](http://www.ptcfast.com/reg1). You will need to enter the code for your child's teacher found below. Please only sign up for one time slot per student. Dual household or co-parent families will need to share the same conference time. Conferences will be held via zoom. Please watch your email for instructions from the classroom teacher on how to connect to the zoom conference.

Thank you!
