2021 CAREER ACADEMY FOR KIDS

Char-Em is offering Career Academy for Kids from June 22nd - June 24th. Online registration opens at 9:00 a.m. on Monday, April 19th. Flyers are available in the office.

MASK REMINDER

Students are required to wear a mask in the bus loop after school. This is not a mask break time. There are too many students outside in the bus loop at that time.

PASSING TIMES

Students, remember that passing time is to be used for going from one class to the next. If you need to use the restroom or go to your locker, go to your classroom first and get permission.

WATER BOTTLES

Students please remember to bring your water bottles to school and refill them at the bottle filling station since the drinking fountains are still closed.

DRESS CODE

We are now approaching warmer weather. Because of this, it is an appropriate time for a reminder to dress appropriately for school. Please refer to the student handbook for what is acceptable and what is not. Your primary job here is to learn, so please dress to learn! Thank you for your cooperation.

AFTER SCHOOL BUILDING HOURS

Students are to be out of the school building by 3:20. Any student still in the building beyond this time must be either working with a teacher or coach. Please be sure to make the necessary arrangements for pick-up if not riding the bus.

STUDENT DROP OFF AND PICK UP

Please remind your parents to use the right hand lane in the loop to drop off and pick up students before and after school. For safety reasons, we are asking parents to not use the parking lot to drop off or pick up students. Thank you for your cooperation in this matter.

MORNING ARRIVAL

Just a reminder that upon entering the building at 7:55, you must go directly to your homeroom class.
