Expectations for 7th Graders

Students are expected to be responsible for their actions and follow our **Full Value Agreement**. This agreement requires the following: work as a team, be safe (emotionally and physically), and speak up. We want all students to be safe and have an enjoyable, productive seventh grade year. By following this agreement, we can ensure greater success for all!

Fun activities your child can look forward to are climbing at Camp Daggett in the Fall, swimming at Avalanche Bay in the Spring, fun games and rewards in the classroom, as well as learning from a team of teachers who greatly enjoy working with each other!

We communicate regularly to give our students the best opportunities for success through regular homeroom emails; please make sure your email is up to date. Please contact us if you have any questions or concerns. We are looking forward to a great year starting in September!

Sincerely,
The 7th Grade Team
