Fourth Marking Period Elective Changes

If you would like to request a change to your fourth marking period elective(s) you can do so through the google form (link). The counselors work on the requests in the order they are received and will respond to you via email telling you whether or not they were able to change your schedule. The form will be open for you to request an elective change until the end of the school day Tuesday, March 22nd.

Keep in mind:

-You cannot drop Ac Lab without parent and teacher permission.

-You cannot repeat an elective you have already taken this year. The exception is Art, and you will need teacher permission.

- You will not be able to request or make any changes to your schedule once the new marking period begins.

Talk to a counselor if you have any questions.
