The **Northmen Den** Youth Services hosts a pantry right here at the middle school offering food, household, personal, and school supplies to students and their families who could benefit from support. Students will receive an email from Mr. Wilcox with a link to the Northmen Den Shopping List where they are invited to choose any and all items they would like. Each week, the Den shoppers put together a grocery bag for students who have completed the Shopping List form. Pantry items are available for pick up on Fridays during homeroom or lunch at the Northmen Den across from the front office. See Mrs. Pinney or Mrs. Kelley with any questions!
