The Petoskey Middle School Science Fair Club was a great success this year. All participants earned a score of 89% or above with a very close race for first, second and third place! Sera Kembro took third place with her project Dormant Below Zero. Willow Mitchell and Layne Pettyjohn with their project Moldy Bathroom tied for second place with Camilla Avila and her project Dissolved Oxygen. Finally, Evall Hall took first place with his project Brains! We are so proud of our young scientists taking the time to go above and beyond expectations. They are true examples of Northmen Drive. Projects are on display in the media center.

The mindfulness Club will meet on Thursdays in room 141. This club will open its door before homeroom at 7:50 with an official start time of 7:55 to 8:10. We hope to see you there.

Crocheting Club

We have one more crocheting meeting for the year and we will celebrate our accomplishments with a pizza party. So if you participated in the crocheting club join us on Monday, March 20 from 3:15-4:00 for some pizza and snacks.

Builders Club

We will be meeting on Wednesday, March 22- 3:15-4:00. We will be making food for the teachers lunch on March 23 to show our appreciation for everything they do. Snacks will be provided. Please make sure you can attend and talk to Mrs. Kurburski before the meeting.

Crocheting Club will be meeting on Mondays from 3:15 - 4:00.
